**CANADA'S STUDENT NATIONAL TEAM TO MEET LOYOLA WARRIORS**

Canada's Student National Hockey Team will make an exclusive appearance at the Loyola Athletic Complex on Thursday December 23rd, at 8:00 PM to battle the host, Loyola College Warriors. The net proceeds of the game will go to help send the team to the World University Games.

This will be the only appearance the National Team will make east of Toronto in preparation for the Games as Canada makes a return to international hockey competition.

Two members of the Loyola Team, defensemen Larry Carriere and Steve Sly, have been attending the National Team Camp but will be back with the Warriors for this contest. Other Quebecers on the National team are Mike McNamara, Sir George Williams, Richard Dupras, Three Rivers and Ron Perowne, Bishop's.

Loyola hopes to continue the solid play they displayed in a 3-2 victory over the Toronto Varsity Blues this past weekend. Coach Dave Draper feel that "they undoubtedly will be the strongest competition our team has ever faced. We proved against Toronto we could play a tight defensive game and we will certainly have to do the same on Thursday" he added.

Frank "Shag" Shaughnessy, Jr., Vice-President-Winter Games and Chef de Mission, 1972 Winter Team, will be on hand for the initial face-off at Centre Ice.
